Matching Grants Program

Program details

The Matching Grants program provides financial assistance to projects that build or strengthen communities within Liverpool. These projects should focus on supporting the development and implementation of community capacity building activities, maintaining and conserving community assets, and providing opportunities for a broader cross section of the community to be involved in community and recreational activities.

Funding will support projects that address one of the following categories:

Arts

Capacity Building

Domestic Violence (DV)

Youth Engagement

Accessibility

Environment

Infrastructure

Community Safety

Public Space Activation

Sport Development

Available funding The Matching Grants Program recognises community contribution towards a project and can offer up to \$15,000 support to match this contribution.

Program timeframe Applications can be made all year. Grants must be spent within 12 months of receiving them. Applications must be submitted at least three months prior to the commencement of a project. In exceptional circumstances, an organisation that is partnering with Council may receive retrospect funding up to one (1) month after the delivery of an event or program. Grants must be spent within 12 months of receiving them.

To understand program eligibility, exclusions and expected outcomes, please refer to the [Grants Donations & Sponsorship Policy](#).

Project Outcomes

* indicates a required field

Program Beneficiaries

Who are the expected primary beneficiaries of this project/program? *

Please choose only the group/s that are at the very core of this project/program. If your initiative is open to everyone, choose the first item, 'Universal - no particularly targeted beneficiaries'

Program Focus Areas

This program provides financial assistance to community groups and organisations for projects that foster partnerships and collaboration, build capacity, promote social inclusion, and increase community participation.

What is the primary area of focus you will address with your program? *

You can select multiple areas of focus - all have equal value.

Project Outcomes

Please tell us about the outcomes you expect to result from your project. Outcomes are the changes you expect to occur for the beneficiaries (direct, indirect and/or intermediaries) of your project. Generally, outcomes can be framed as an **increase or decrease** in one or more of the following:

- Skills, knowledge, confidence, aspiration, motivation (these are generally immediate or short-term outcomes)
- Actions, behaviour, change in policy (these are generally intermediate or medium-term outcomes)
- Social, financial, environmental, physical conditions (these are generally long-term outcomes)

Immediate outcomes occur directly following an activity (e.g. within 1 month); medium-term outcomes are those that fall between the short and long-term outcomes (e.g. between 1 month and 2 years); and long-term outcomes are those we expect to see years later (e.g. 2, 5, 10 or 50 years after the activity).
